Forthcoming projects planning meeting, Rome, 4-6 December

Dear {VORNAME},

As announced in the newsletter to the European LTER community (sent yesterday) we suggest to hold a planning meeting for the forthcoming projects in the first week of December.

We wanted to invite you to this meeting and ask you to save the date.

We will meet in Rome. Antonello has kindly agreed to arrange for a venue with a large meeting room and several breakout rooms for group work.

The anticipated timing is:

- (Mo., 3 Dec: reserved for traveling)
- Tu, 4 Dec: Preparatory Phase Project
- We, 5 Dec: eLTER Plus
- Thu, 6 Dec: eLTER Plus continued until noon.

We will send more specific information according to progress in the quite complex planning process.

Kind regards,
Michael and the eLTER planning group
