

**Vth International Scientific Conference
on Water, Climate and Environment**

**Ohrid, Republic of Macedonia – 28 May to 2 June 2012
Information for Exhibitors/Sponsors**

In Balkan area, BALWOIS conference, organized in 2004, 2006, 2008 and 2010, is becoming one of the most important international events on Water, Climate and Environment issues. These conferences brought together more than 1400 participants coming from 70 countries. All 1380 papers are in free access on www.balwois.com.

The Fifth International Scientific Conference BALWOIS 2012 will be held in Ohrid, Republic of Macedonia from 28 May to 2 June 2012, Hotel Metropol www.metropol-ohrid.com and promises to be as much successful as the previous conferences.

BALWOIS 2012 is supported by Ministries of Ecology of Republic of Macedonia and France and by the International Association of Hydrological Sciences.

On behalf of the organizing committees, it is my pleasure to invite your company to participate as exhibitor in BALWOIS 2012. That could be a great opportunity to extend and/or to intensify your activities in the Balkan.

You will find all useful information on the item "Exhibition" of www.balwois.com/2012.

Remaining at your disposal for further information.

Marc Morell
BALWOIS Coordinator
